The principles of the French-style kindergarten applied in Saint Ange:

- becoming autonomous, expressing oneself and developing one's creativity
- based on play, manipulation, discovery and exploration
- **start learning to read, write and count**
- discovering languages and cultures: French as the main language, English as a progressive language and developing Vietnamese.
- learning to socialise and live with others

ELEMENTARY SCHOOL: TOWARDS EXCELLENCE

In primary schools, your child discovers new possibilities of autonomy, and multiplies personal initiatives in a more academic learning environment. The acquisition of the basics: reading, writing, counting, respecting others, is the main objective of these 5 years.

At the heart of elementary education, the many hours devoted to **French and mathematics are the guarantee of a mastery of fundamental knowledge**, paving the way for a successful school career.
