Les Toutes Petites Sections

24-36 MONTHS OLD

We welcome students of all nationalities, which makes this cultural diversity fruitful through innovative pedagogy and an open mindedness. Learn together about sharing, generosity and tolerance.

Different types of games are made available to them such as activity arches, balls, dinette, puzzles, books, dolls, etc.

We offer them daily:

- Language discovery workshops

- Psychomotor activities (tunnel, modules, etc.)

- Creative and sensory activities (painting, sand, etc.)

In order to best prepare children for entry into pre-school, many activities are offered according to the child's ability. These workshops aim to develop your child's senses and motor skills:

- Visual recognition games (sorting games, etc.)
- Manipulation games (fine motor skills: pinching, screwing, transferring, etc.)
- Creative workshops (painting, sticking, etc.)

The TPS children participate in handling workshops in order to best prepare them for entry into the small section of Maternelle (PS) equivalent of preschool.

FLOURISH & GROW AT SAINT ANGE

Saint Ange International Nursery offers:

A caring atmosphere and a serene environment where your child evolves in complete safety

Enrolling your child in Saint Ange means ensuring an educational path based on humanist ethics: tolerance, freedom of expression, equal opportunities, intellectual curiosity, analytical thinking & more.

The nursery is the first place of community life in your child life. It is important to make a smooth transition with the house.

The use of a transitional object (deedee, pictures, blanket,...) is strongly recommended. In order to grow up, the child must feel surrounded, reassured and supported.

A committed and qualified teaching team with ongoing communication on your child's progress

A team of French-speaking and qualified professionals supervises your children and offers them awareness and discovery activities. Smaller groups enable a personalized follow up of the toddlers.

Outings like Idecaf and Happy Petting farm, taking care of nature with the vegetable garden, discovering food by cooking it... traditional festivals like Têt and Christmas.

The special attention given to each child by the whole team is really great! The variety and quantity of activities is also remarkable!
