ENSURING QUALITY TEACHING AND SUPERVISION

If you enrol your child at Saint Ange, you can be sure that a professional team will be there to look after them and get to know them. As a school on a human scale, we are able to provide individualised attention to children and their needs.

Our native French teachers (same diploma as primary) are experienced and qualified by the French "Education Nationale", or certified by the AEFÉ.

School outings are encouraged in the French curriculum for curiosity, open-mindedness and discovery of the world around your child.

LEARNING MODALITIES

Problem solving, manipulation, training, game, memorization

The great advantage of Saint Ange is its small size. For my two daughters, it was wonderful and like a second family where everyone knows each other. They also learned the rules of life in the small community that is Saint Ange.

FOLLOW YOUR CHILD PROGRESS

Teachers provide continuous pupil monitoring and are available to meet with families throughout the year, either at parent request or teacher's initiative.

QUALITY & HEALTHY DIET IN THE KID'S PLATES

Western and local meals are prepared on site by our chef according to a specific diet plan based on your children's needs.

UNIFORMS FOR CLASS AND SPORT

The Saint Ange uniform worn from TPS onwards dissolves social differences and allows children to feel part of a group. The kit includes 4 sets of uniforms and 2 sports T-shirts.

SCHOOL BUS SERVICE

The school offers a school bus service: 16-seater buses running routes as close as possible to families.

The Preschool-Kindergarten opens its doors from 7:30 am to 4:00 pm. Class starts at 8:15 am daily.

THE NURSERY AND KINDERGARTEN ON THE SAME CAMPUS

The nursery/pre-school and elementary school are located opposite each other in the quiet district of Thao Dien. The nursery and kindergarten building has a motor room, a library, a canteen and a swimming pool.
